

# The buzziest Hamptons restaurants and pop-ups for summer 2022

**Astro's Pizza** | 237 Main St., Amagansett

PJ Calapa, the busy chef-partner of NYC's Scampi and The Spaniard, is taking charge of the iconic Main Street location together with investor and Resy co-founder Ben Leventhal. The revamped restaurant will boast a menu of traditional Italian dishes and pizza classics, including pork ravioli, clam pizza and a zesty chicken piccata. (Low-carb dieters beware.) For al fresco meals at home, grab one of the restaurant's tasty family-style meals to go.
